About Exhibition

Shanghai International Examination Medical and IVD Exhibition 2024 (CEIVD 2024) is scheduled to be held at the Shanghai World Expo Exhibition & Convention Center from June 26th to 28th. CEIVD 2024 Shanghai International Exhibition of Laboratory Medical Instruments and IVD in Vitro Diagnostic Reagents. The previous exhibition mainly came from procurement leaders, directors, professors, doctors, and experts from hospitals, distributors, agents, distributors, import and export traders, clinical inspection centers, independent inspection laboratories, maternal and child health centers, disease control and prevention centers, blood stations, blood centers, and entry exit inspection and quarantine bureaus across the country. Scholars gather at the exhibition site for transactions, cooperation, and exchange;

Product Categories

IVD

Biochemical reagents, chemical reagents, immunofluorescence, colloidal gold, POCT, blood, urine, microorganisms, endocrine testing, cancer testing, blood sugar testing, nucleic acid test kits, blood cell reagents, electrolyte reagents, hemagglutination reagents, blood type kits, blood lipid reagents, dry chemistry test strips, chlamydia, virus detection reagents, protein detection reagents, infectious disease detection reagents, tumor detection reagents, immunohistochemistry and human tissue cell reagents, biochips, AIDS detection reagents, cell histochemical stains, autoimmune diagnosis reagents, microbiological test reagents, etc.

Clinical LAB equipment

Biochemical detection system, Immunoassay system, bacteria analyzer, urine detection system, microbial analyzer, electrolyte analyzer, blood cell counter, blood detection system, hemodialysis instrument, microplate reader, chromatograph, PCR instrument, centrifuge, flow cytometer, Automatic hematology analyzer, automatic blood collection system, etc.

Examination consumables

Medical incubator, medical centrifuge, pretreatment equipment for pathological analysis, blood test equipment and apparatus, medical low-temperature refrigeration equipment, biochemical pure water equipment, body fluid treatment equipment, microscope for medical diagnosis; cuvette, blood collection tube, blood collection needle, serum tube, sample cell, centrifuge tube, tips, straws, test tubes, biochemical cups, pipettes, etc.

Precision medicine

Genetic testing, high-throughput sequencing, target detection, personalized medicine, genetic disease screening, prenatal screening, molecular diagnosis, tumor screening, etc.

Reagent raw materials

Antigens, antibodies, substrates, quality controls, serum, etc.

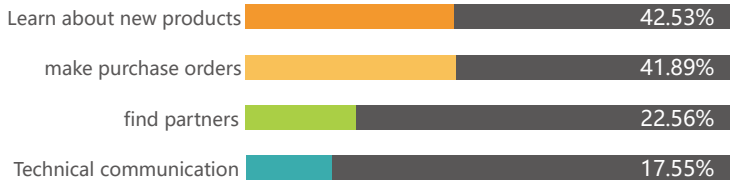

Welcome

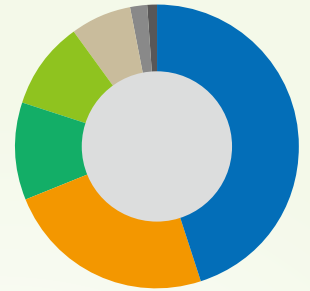

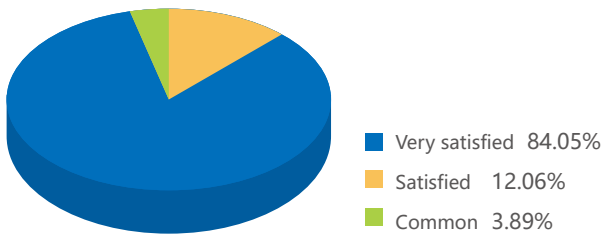

Purpose of professional visitors

Product analysis

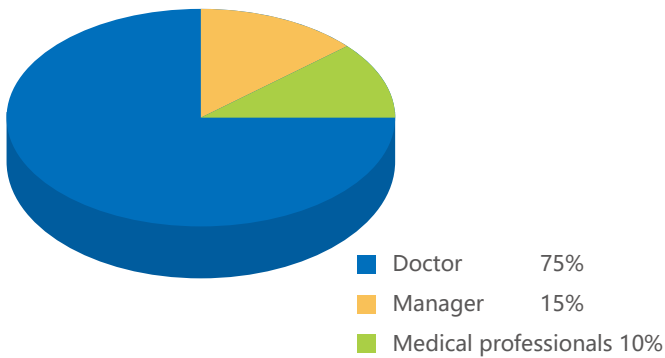

General evaluation of visitors over the exhibition

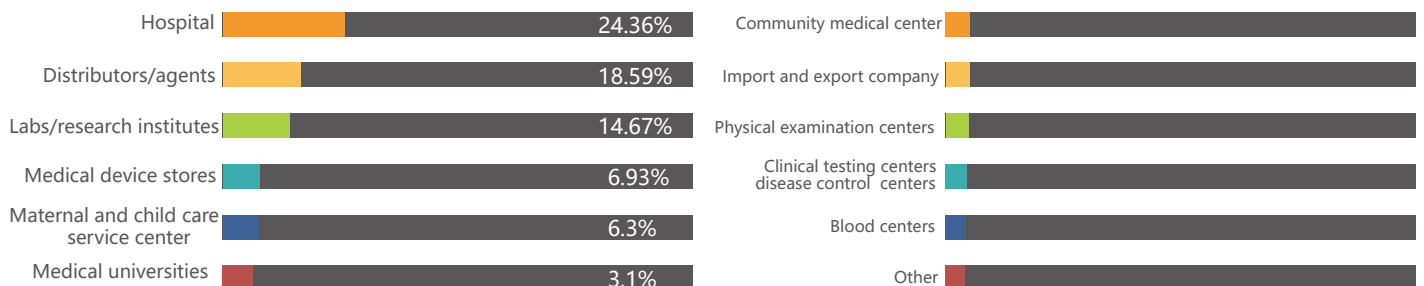

- 40% IVD
- 24% Clinical testing equipment
- 11% Precision medicine
- 10% Test consumables
- 7% Clinical medical testing auxiliary supplies
- 5% Blood transfusion
- 3% Reagent raw material

Exhibitors

Objectives:

General evaluation of exhibitors over the exhibition:

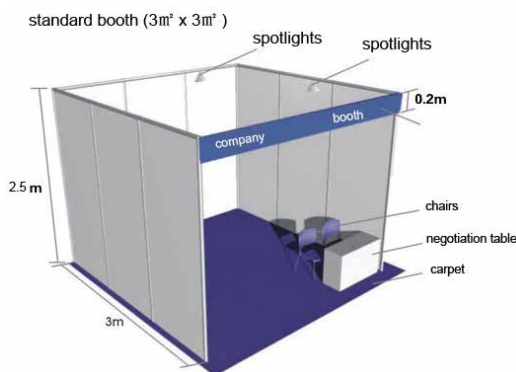

Participation Fees

20 % surcharge will be levied for reservation of a booth with 2-sided opening

Booth Type		Overseas Enterprise
Standard Booth	3m × 3m	USD 5,000/9m ²
Deluxe Standard Booth	3m × 3m	USD 5,380/9m ²
Raw Space (Min. 36m ²)	6mX6m	USD 500/m ²

Standard booth package: 3-sided partitions, 1 negotiation table, 2 chairs, company sign in Chinese and English, 2 spotlights, 1 power socket (220W/5A), and fully-floored carpet. Expenses on any other furniture shall be borne by exhibitors. Raw space fee consists of a show space, carpet, security and booth cleaning service.
